FAENA ROSE: THE CULTURAL HEART OF
FAENA RESIDENCES MIAMI

Founded in Miami Beach in 2016, Faena Rose is a cultural institution rooted in the principles of **cultural enrichment, community, patronage, and access.**

Faena Rose's mission is to enhance its patrons' lives through transformative cultural experiences and by fostering authentic relationships.

At **Faena Residences Miami**, **Faena Rose** debuts its first purpose-built cultural destination—the **Faena Rose Cultural Center**. Designed to serve as the intellectual, creative, and social heart of the development, it's a curated environment that integrates all aspects of daily life.

The background of the entire image is a dense, repeating pattern of red roses and leaves. The roses are in various stages of bloom, with detailed petal structures. The leaves are dark red with visible veins. The overall color scheme is monochromatic, using different shades of red.

CULTURE & PATRONAGE

Faena Rose offers a front-row seat to the most compelling cultural experiences, set in intimate and elevated environments.

Through a commitment to patronage, **Faena Rose** creates original programming that supports artists, thinkers, and creators. Every **Faena Rose** event includes direct access to world-class talent, bringing unparalleled artistic and intellectual vibrancy into a private setting that feels less like a venue and more like your living room.
